ANTIMICROBIAL

## A clean affair.

**The world's first sticky notes with an antimicrobial effect!**

## A clean affair – The world's first sticky notes with an antimicrobial effect!

The increase in people's hygiene awareness leads to a greater sensitivity concerning everyday hygiene and thus promotes holistic hygiene concepts in our daily working lives.

Due to their proven antimicrobial effect, the new sticky notes are perfectly suited for any professional or private environment in which they are likely to pass through multiple hands and in which hygiene plays a predominant role.

The biocidal active substance eliminates more than 99.99% of the bacteria and fungi and stops their colonisation and reproduction on both sides of the paper permanently.

- Proven antimicrobial effect
- Eliminates more than 99.99% of the bacteria and fungi on the paper
- Contains biocidal active incredients silver
- Long-lasting effectiveness on both sides of the paper
- No impact on writeability and recyclability
- Consistent adhesive force
- Solvent-free and water-based sticky notes adhesive
- FSC®-certified paper
- Made in Germany
