B 10^{MY} 2-in-1 DEVICE PROFESSIONAL

MOBILE ORGANISER

The B 10 Professional ColorID is your perfect companion in the office, but also when you're out and about. This handy lightweight with integrated staple remover fits into any drawer or bag. It can staple up to 15 sheets with ease. As well as standard stapling, the B 10 Professional can also be used for tacking. And it has an unstapling function that is useful whenever you need to remove a staple.

YOU HAVE YOUR OWN STYLE, and you want to use your favourite colour in specific ways. Why settle for anything less when it comes to office accessories?

Our ColorID staplers and perforators are here to help. There's one thing these charming eye-catchers definitely reveal: your excellent taste!

MY
PERFORATOR

DEPENDABLE OFFICE ACCESSORIES WITH STYLE

NOVUS B 220 perforators are trusty companions for your working day: they can precisely and reliably handle up to 20 sheets at a time. Other outstanding features include their securely locking stop rail with easily readable format display, their non-slip base that can be opened half-way for emptying and then simply closed again, and the option to perforate a range of formats. Good looks and great functionality in perfect harmony – what more could you want?

EYE-CATCHERS FOR YOUR DESK – OUR NEW TREND COLOURS

B2 MY STAPLER

STYLISH AND FUNCTIONAL

NOVUS B 2 staplers brighten up the office workday with their stylish colours. But they have more to offer than just good looks: with a stapling capacity of up to 25 sheets they can effortlessly handle day-to-day tasks in your (home) office.

Their user-friendly top-loading mechanism makes inserting staples quick and easy, while their rotatable anvil provides flexibility by allowing both closed, or permanent, and open, easily removable stapling. You can also use them for tacking paper e.g. to a corkboard. Included in delivery are suitable 24/6 DIN SUPER staples. So you can get started immediately!

155 MY SHARPENER

BEST PERFORMANCE FOR TOP SHAPE

The DAHLE 155 sharpener for pencils and coloured pencils brings colour to your desk. Their high-quality steel cutters sharpen perfectly, and the tip shape is adjustable to produce your preferred type of point. Whether you're painting or drawing, it's more fun with our pencil sharpeners! The shavings are completely collected in the shavings container- so the table surface always remains clean. The table-attachment supplied provides a secure hold: Thanks to the practical table clamp, the sharpening machine can be attached quickly and easily to the work surface. So sharpening is finally fun!
